Whether you need help getting started, need some suggestions for improving, want to get your group's meeting more connected, or have questions in general, we would love to help!

What is a hybrid meeting?

Any AA group that meets in person that also makes their meeting accessible to other alcoholics on-line via platforms like Zoom.

Why have hybrid meetings?

Through hybrid meetings, your group can provide alcoholics with access to meetings that they would otherwise be disconnected from.

Think about:

- members who used to attend your group, but for health or other reasons have become isolated
- providing prisons, hospitals, rehabs, nursing homes, etc. with access to live local AA meeting!

Why we want to help!

The mission of Reading-Berks Intergroup involves giving AA groups a way to coordinate twelfth step work on a larger scale than would be possible by an individual group.

"I am responsible... when anyone, anywhere, reaches out for help, I want the hand of AA always to be there. And for that: I am responsible."
