

# Zoom Meetings

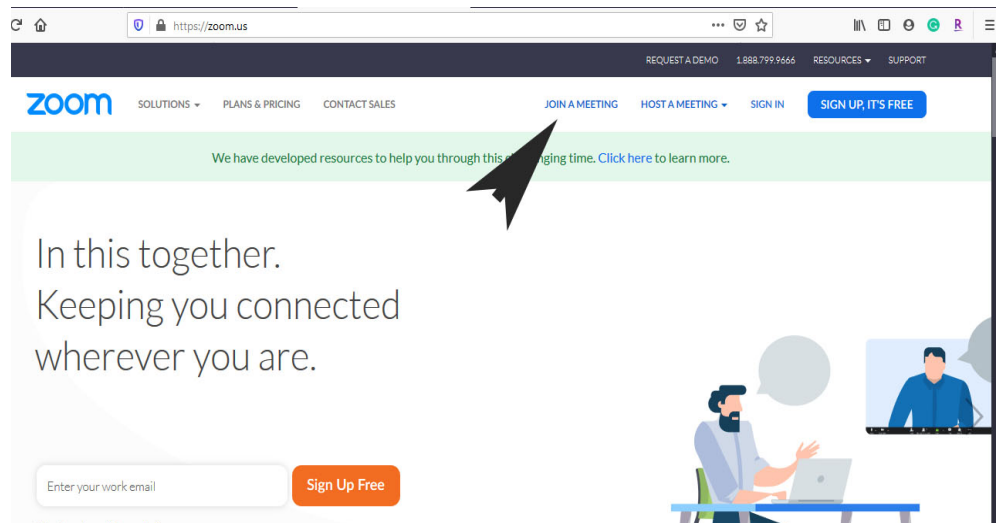

Due to the current situation in the US, lots of AA meetings are closing in compliance with CDC Guidelines. In place of those meeting, some Groups are moving their meeting on-line using Zoom.

*Zoom is being offered in direct response to the General Service Office's letter to the fellowship which "suggests that groups that are unable to meet at their usual meeting places have begun to meet digitally; doing so in a sensible and helpful manner which allows the group to continue keeping the focus on our common welfare and primary purpose."*

**To get Zoom on your phone**, go to the App Store where u get your apps. Download the Zoom app to your device. After downloading and installing, click on "Join a Meeting" and enter the 9 digit meeting code (and password if needed). This will get you into the meeting directly or place you in a waiting room. If in a waiting room, the Host will ok your entry into the meeting.

**If on a computer** go to <https://zoom.us/> The first screen below will appear. See the arrow pointing to "Join a meeting" Click and the second window appears. Enter the meeting code and password if needed. If you do not have Zoom on your computer, it will provide the download for the program. Follow the directions.
